ACTIVITIES

Marco Polo:

Choose one player to be Marco, he/she is blindfolded and asked to count until 10, while the other players spread across the room. Marco races around the room calling 'Marco' and the other players have to respond 'Polo'; the first player to be tagged is the next Marco.

Pet Pals' Canal Brigade:

Divide the room into 2 teams: Pet Pals and Crow Witches. The Pet Pals have to fill the canal before the Crow Witch empties it out. Each team is given a cup and a bucket filled with water. Another bucket is placed at the opposite end of the room. They start from opposite ends of the room, and have to take turns in using their cups to fill a bucket which is placed at the opposite end of the room. The first team to fill their bucket wins.

ACTIVITIES

Top Hat's Grocery Bag Game:

Take a Brown Paper Bag and fill it with things from the house (items that can be worn). Put items like hats, gloves, scarves, bibs, diapers, socks, shirts, baby hats, etc. The children then sit in a circle while an adult starts the music. The children then pass the bag around and when the music stops the child that has the bag picks an item out without looking at it and has to put it on. Then start the music again and pass the bag around and repeat until the bag is empty. The child with the least items on - wins a prize.

Holly's Stolen Car Hunt:

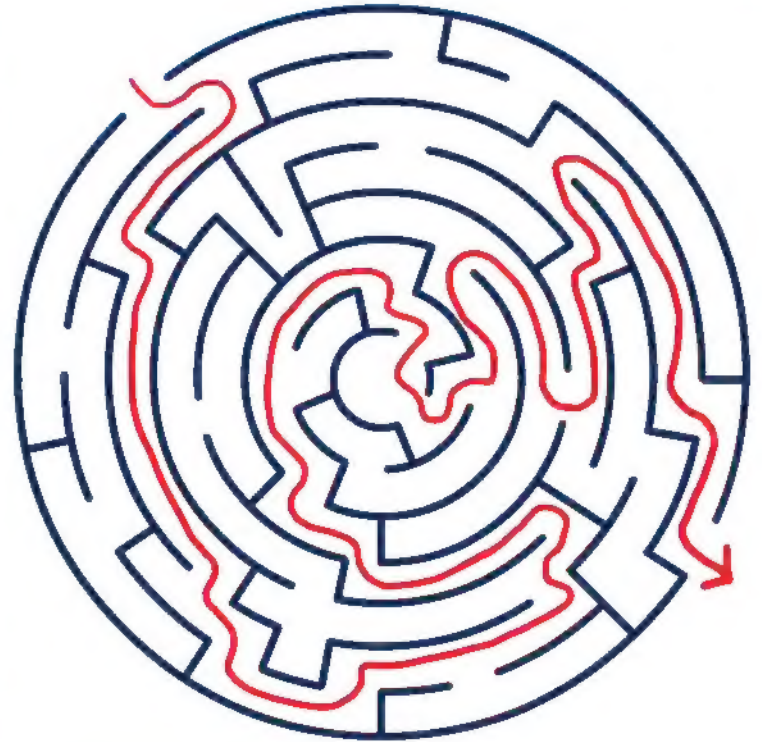

Hide a treasure box filled with toy cars somewhere in your house or yard. Place a large toy "stolen" car on top of the treasure box. Tell players that a car was stolen and is hidden somewhere in the party area. Direct kids to find the stolen car by using car-related clues. Each clue should lead them to the next clue. When the stolen car is found, kids each get to pick a toy from the treasure box.
